

STONE PINE FOREST - on flax backing

Artikel Nr.

ZIRWAL0085FVPRW

Fragrant Austrian stone pine shavings with moss, lichen, spruce needles, and approximately 4 fern leaves per m² on breathable flax fleece.

Take a deep breath! This natural surface releases the soothing scent of stone pine wood, bringing the atmosphere of Alpine mountain forests straight into your space. The warm, woody appearance and distinctive aroma create a calming environment that helps you leave everyday stress behind. Perfect for anyone who values natural cosiness and healthy indoor air.

MOQ	1 m ² (ca. 0,74 lm)
Weight	433 g/m ²
Thickness	0.8 mm
Flexibility	Bending radii from 2 mm
Translucency	opaque

Material details

Breathable The natural flax fleece backing is breathable, unbleached, ecological and climate regulating.

Free match Free match
The naturally scattered materials do not require matching patterns between panels.

Overlap and double-cut Each panel overlaps approx. 2 cm with the one next to it. Please note the edge tolerance.

Wallpapering technique Do not apply glue to the back of the wallpaper, but to the surface.
Please note our glue recommendations.

Processing

Wallpaper

Installation of Organoid® natural surfaces on flax fleece as a wallpaper:

- Wall-pasting technique
- Pay attention to Organoid glue recommendations
- Double cut: Each panel overlaps with the one next to it (approx. 2 cm)
- Cut with scissors, cutter or plotter
- Pre-trials recommended
- In the case of wallpapers, the effect is to be checked after processing three strips. Claims that go beyond the replacement of defective goods will not be accepted.

Processing

Décor

Installation of Organoid® natural surfaces on flax fleece in woodworking (décor):

- Process with normal wood-working machinery
- Glue (e.g. white glue) is applied onto the wooden materials, as the fleece absorbs moisture and glue stains may appear on the front if glue is applied to the fleece
- Cover the natural surface with the enclosed separating paper
- pressing temperature. 60°C
- For sensitive wood-working applications, use a counter-balance (enclosed on request)
- Cut with scissors, cutter or plotter
- Pre-trials recommended
