

WILDSPITZE BLUE SKY - on flax backing, adhesive foil

Artikel Nr. WSPHIM0075FVSRW

Hand-scythed Tyrolean Alpine hay with blue cornflower blossoms on breathable flax fleece or flax fleece with PVC-free adhesive foil.

Hay with a touch of sky! This unique surface combines hand-scythed alpine hay with delicate blue accents. The sky-blue highlights add a fresh, vibrant touch to the natural look, evoking the image of a blooming Alpine meadow under a clear sky. Perfect for anyone wanting to bring the charm of the mountains indoors with a hint of colour.

Order your DIN A5 sample now!

Bright blue cornflower petals on regional, hand-cut Alpine hay from the Tyrolean Alps in full, premium coverage, available on various backings – making every application in interior design possible.

Characteristics
